

TECHNICAL SUBMITTALS TO CT:

1. Weather Calendar
2. Contract Time
3. Liquidated Damages
4. Performance of Work (percent of the total amount of work to be performed by contractor)
5. Drawing Titles AND FILE NUMBERS
6. Layout of Work (some word changes may be necessary for specific project)
7. Quantity Surveys (some word changes may be necessary for specific project)
8. Construction Equipment Ownership and Operating expense schedule, Region Number (specific to job location)
9. Payment for Mobilization and Demobilization (percentages, IF NOT DEFAULT)
10. Amount of money reserved for this contract in the Continuing Contracts clause (PM)

The punch list could be submitted with the plans and specifications for BCOE review. The appropriate office could submit the information they normally provide on that punch list with their BCOE comments (with a copy to CT-C).

There are numerous references in the Technical Specifications to the 00800 section. With many of the clauses moved to other portions of the contract, these references will have to be edited to ensure proper referencing.
